The Official Catholic Directory

The Better to Serve You

THE growth of the Catholic Church in the U. S. A. during 1940 necessitates 27 more Directory pages than last year properly to record its personnel and institutions. All names and statistics have been brought up to date and new material added; the 1940 issue because of the numerous changes now becomes a museum piece, valuable only as an historical record.

First issued in 1822, The Official Catholic Directory has been published with Episcopal sanction annually since 1833. We endeavor to make each succeeding issue of utmost utility to its users — the American Hierarchy, Reverend Clergy and Religious whose sustained support makes possible this impressive volume. In so doing, your attention is directed to the

New Editorial Features 1941 Particularly useful to subscribers are the *Hints and Helps* (pp. ix-xv) — a detailed guide to the wealth of data which is The Directory. Comparative statistics of Religious personnel are also shown. Another new feature gives the *ecclesiastical forms of address* recognized in the United States, and a third is the revised and augmented *List of Places in the U. S.*, naming every locality, no matter how small, with a Catholic institution of any kind, besides the cities and towns in which there are Churches with resident pastors; the 3-column form facilitates finding the proper Diocese in each instance. The *Alphabetical Cross Index*, the *Religious Order and Missionary* sections and the *Index of Dioceses by States* are continued.

Business Services for Subscribers

A Larger Classified Buyers Guide & Index Again the helpful *Classified Index of Advertisers* (opposite) has been expanded substantially. The 500 different classifications are so varied that it is easy to find a wide choice of reliable products and services, sufficient to equip completely a church, rectory, school or institution of any type or size, among the firms listed, everyone of whom is represented in the *Advertising Sections*, front and rear.

Their perusal will demonstrate that both variety and number of products are greater than ever. Your every need has been anticipated in splendid fashion.

Extraordinary Service Records That these firms are representative of the best in American industry is eloquently evidenced by the impressive record of their ages. Exactly *fifty* advertisers in this issue state *an average of 66 years* in business! To deal with such firms must prove both safe and satisfactory.

From another standpoint the record of Directory Advertisers is still more interesting when it is realized that several have advertised for almost 100 years; 15 have appeared for longer than 50 years, while an aggregate of 66 current advertisers have been represented in The Official Catholic Directory for a minimum of 20 years! Others present for the first, second or third year are equally qualified and anxious to serve you. You will find the wording of all advertisements correct, dignified and to the point.

A Request to Subscribers: Both new advertisers and old alike appreciate being told that your inquiry originates as the result of reading their announcements in The Official Directory; such mention definitely will help everyone concerned; yourself in prompt, courteous and satisfactory attention; the advertiser in determining where business arises and the publishers in further proof of the effectiveness of The Directory.

The publishers bespeak your kindly cooperation when responding by using the exact addresses and departments indicated or, better still, specifically naming The Official Directory. The usual line on every page exhorting mention of a publication has purposely been omitted in order not to detract from the message on the page which is exclusively the advertiser's.

The rare longevity and continuity described above demonstrate two facts; that subscribers have found the products offered herein of real worth, reliability and satisfaction; and that the advertisers in their turn discover Directory subscribers a responsive audience.

With your gracious support I have confidence that this work will become of still greater helpfulness to those it is designed to serve.

Clean-up!

FROM FLOOR TO CEILING WITH HILD EQUIPMENT

A *Slip-SAFE!* FLOOR

. . . WHEN YOU CAN STRIKE A MATCH ON IT!

Scrub any hard-surfaced floor . . . follow with the Vacuum Pick-up. Strike a match . . . it lights. That's how dry the floor is! Suction power, strong enough to empty a two-gallon pail of water in 15 seconds, dries floors almost instantly . . . lifts moisture from deep cracks and takes the dirt with it.

HERE, at St. Thomas Aquinas, Chicago, the cork tile floor in the aisle and the maple floor under the pews are kept spotless and bright with HILD Maintenance Equipment. In Holy Name Cathedral, Chicago, HILD Equipment is used to clear dust from the attic, and prevent its filtering through the ceiling onto walls, statues and hangings.

So, in many a church, school and other Catholic property, HILD Equipment has simplified and improved the important task of floor maintenance and dust control. Floors of all kinds come cleaner, with less soap and less labor, when scrubbed by the HILD Shower-feed System with Vacuum Pick-up (shown below). The slip hazard of wet floors is banished!

The HILD ALL-purpose Portable Vacuum cleans rugs, carpets, upholstery, walls, drapes, statues, etc.

A HILD Representative will gladly demonstrate for you without cost or obligation.

WHAT CAUSES A LEAKING WALL? The most prevalent causes are faulty mortar and bad masonry work. The mortar cracks, rain seeps through the walls, and untold damage is done to the interior. This condition is particularly prevalent in buildings constructed during the last twenty years, often due to the use of incorrect proportions of cement, sand and lime in the mixture, careless assembling of units, or both. ***WHAT CAN BE DONE ABOUT IT?*** There is only one sure remedy: Go to the root of the trouble, remove all faulty mortar, and do a thorough job of repointing. Surface treatments give only temporary relief. Ordinary masons cannot do the job. Trained and experienced Rockwell Newman Company workmen, with specially designed tools and equipment, will do a lasting job to make your walls *permanently* weatherproof. It is prudent and economical to have exterior walls inspected before minor defects develop into major sources of damage. Ask any of the clients listed here about our skill and integrity. Are you CERTAIN that your church is properly, adequately and economically INSURED?

THE insurance needs of a church are far more complex than those of a house. There may even be a wide difference in the insurance needs of two churches in the same community. No one but an experienced insurance agent can be expected to know the many different types of insurance available and to properly "diagnose" a church's specific needs. Do you have enough fire insurance on your church? Are you carrying too much? Are you properly insured against those other common hazards that cause much property loss every year? What particular policies should you have for the rectory, the school, the convent?

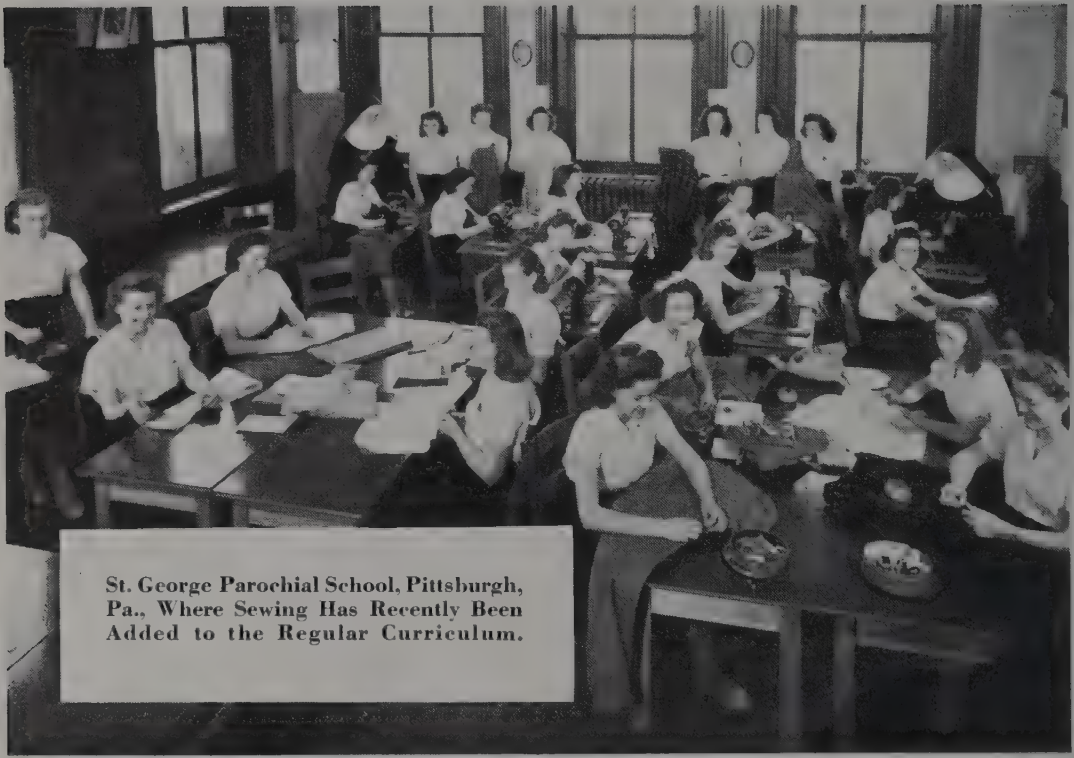
Future homemakers deserve this training!



St. George Parochial School, Pittsburgh, Pa., Where Sewing Has Recently Been Added to the Regular Curriculum.

Yes—our homemakers of tomorrow must have their cultural and religious backgrounds. But they must also have practical training—training that will help them clothe and feed themselves and their families.

The benefits of practical sewing instruction are not all in the distant future. Children who learn to make their own clothes gain self-confidence, gain an appreciation of style and smartness and, incidentally, help protect the family budget by saving money on their clothes.

If you are not now teaching sewing in your school, let us make a survey of your requirements and suggest a plan for getting the necessary equipment. Special discounts for schools keep expense at a minimum. Singer furnishes complimentary teachers' manuals, text books, charts, etc., for the classroom, and gives instructions gratis to Sisters.

NOTE: If circumstances do not permit the establishment of a sewing course in your school, arrangements may be made for your pupils to receive instructions at no cost in the National Junior Sewing Club classes held at Singer Sewing Centers. The National Junior Sewing Club is an educational program for girls 10 to 16 years of age sponsored by the Singer Sewing Machine Company.

WHY I ARRANGED FOR A *Carillon* IN

by Rt. Rev. Msgr. DANIEL J. FRAWLEY, *Pastor*

The idea of a Carillon in St. Jerome's Church is one that has dwelt in my mind for many years. Since the days of my childhood, the beauty of church services has been associated with the nostalgic charm of church bells. If ordinary bells impressed themselves so deeply on the mind, I reasoned, how much more impressive would be a Carillon which, through the medium of bells, plays living music — the divinely inspired music of Catholic hymns.

Recently, during a visit to the Chicago plant of J. C. Deagan, Inc., my desire for a Carillon turned into determination. With absorbed interest, I observed the contributions that modern acoustical science had made to

Deagan Carillons sound the time peal every quarter hour during the daytime and The Angelus at precisely the right times each day.

They may be manually played from organ console or keyboard —or automatically played under clock control by the press of a button.

They are light and compact but, because of scientific design, provide matchless tone and carrying power.

St. Jerome's CHURCH, CHICAGO

bell music. Never in my life had I heard Carillon music so rich, so pure, so certain to stir the souls and warm the hearts of men.

With equal interest, I studied the advances that technical progress had contributed to the playing methods of Carillons—the electric keyboard that permits manual playing from any desired point; the Electric Player that starts the Carillon automatically, automatically plays a selected program, and automatically shuts itself off; and the ingenious device that sounds the Angelus at precisely the proper moment each day.

All these things I considered in arranging for a Carillon in St. Jerome's and many things more. Is it not important, I asked myself, that a pastor avail himself of every medium at his command to impart spiritual strength when such strength is perhaps the greatest single need in our country today? And that being so, what medium could be more effective than one which, through the magic of heavenly music, opens the windows of the soul, there to stir the instincts of faith and decency which lie deep in each and every one of us?

Yes, I am proud of the privilege of having made the music of a genuine Carillon available to the members of our parish and our neighbors of all faiths; and I look forward to its dedication as among the happiest experiences of my life. Its installation at this time is, I feel, an eloquent expression of our own faith in our God, our Church and our country.

Starting at $7250, Deagan Carillons offer every advance that modern science has contributed to bell music—automatically played to assure daily service; harmonically tuned to permit playing in two, three or four part harmony and to provide effects which for beauty and purity have never before been approached. May we send you interesting particulars? J. C. Deagan, Inc., Dept. 305, 1770 Berteau Ave., Chicago, Ill.

Until you have heard a Deagan HARMONICALLY TUNED Carillon, you will never know how clear and beautiful bell music can be.

The firm of J. C. Deagan, Inc., has been serving Catholic churches for more than 60 years.

Deagan Altar Chimes are recognized by pastors everywhere as the most beautiful and impressive means of marking the principal parts of the Mass. The Electric Altar Chimes may be placed anywhere and sounded from keyboard in the altar steps. The manually sounded chimes are rich in tone and dignified in appearance.

Solving a Major Problem
in the making of
Stained Glass Windows

This most vexatious and difficult problem is how to introduce the maximum of color in the design of church windows, producing an atmosphere stimulating to devotion, and at the same time, retain a sufficient amount of light necessary for reading without the use of artificial light.

Through long and exacting experimentation in light control, we have developed a technique of painting and a method of designing windows, enabling us to combine large areas of unpainted luminous glass with a minimum of painted areas, and by so doing, attaining a rich color effect and retaining daylight illumination.

This result has been successfully accomplished through the sympathetic collaboration of Messrs. E. Brielmeier and Sons, Architects, in the windows of Sacred Heart Church, at Oshkosh, Wis., recently executed by our studios.

sound

for your church can be dignified, powerful, economical

TODAY, no church need be without the advantages of a Sound System. For the far-reaching "voice" of Lafayette is one with the dignity of the Church, and equipment cost is surprisingly low. Country chapel or great cathedral, Lafayette's application may be as varied as a church's requirements. To signal the hour of worship from belfry . . . fill the church with organ music . . . bring service and sermon to overflow rooms so that all may hear . . . accommodate and encourage crowds at social functions in the church basement or neighboring hall—all this is achieved easily, by adding extra Speakers to the original Lafayette Sound unit.* Let us send you a catalog describing the complete Lafayette line. In addressing us, mention the size and shape of your church. This enables our engineers to specify, without obligation to you, the Sound System best suited to your needs. Also, it gives you a cost estimate. Write today for copy of Lafayette's Sound Equipment catalog. You will find it helpful in selecting the best Sound System.

**Hearing aids for the hard-of-hearing – a welcome extra feature of Lafayette Sound Equipment. The cost is surprisingly moderate.*

Webster Moderator System of Steam Heating

The Webster Moderator System of Steam Heating is selected for the heating of America's outstanding Catholic buildings because it represents the highest development in modern steam heating distribution.

The Webster Moderator System saves heating dollars because it heats every room comfortably, reducing the waste which ordinarily results from excessive window opening. Steam is delivered continuously to all radiators and exactly in proportion to the need for heat. There are no annoying surges of heat. A Webster Outdoor Thermostat automatically adjusts the basic rate of steam delivery with every change in weather conditions.

Let us help you determine whether your heating costs can be reduced and heating service improved with a Webster Heating Modernization Program. If savings can be made, you can arrange to divert some of the money you are now paying for heat and fuel to pay for the equipment that assures lower costs. "Performance Facts" is a book giving factual records of steam heating costs and comfort in religious buildings (and buildings of every type). Write for a copy.

3. *Detail, Tabernacle and High Altar Candlesticks*

HERE ONE FINDS a beautiful Tavernelle Clare marble High Altar with a fine, combed Appalachian Oak Reredos which are seen to advantage against a finely grained wooden wainscoating. The upper walls of the Sanctuary are in a soft gray, while the cornice and ribs are executed in an architectural limestone color. The fields of the spandrels are richly decorated with a soft gothic pattern in blue on a ground of pure gold. Hand wrought iron lighting fixtures diffuse the light and impart an exceptionally pleasant, soft quality of light to the interior. High Altar and Tester, Side Altars, Altar Rail, Painted Decoration, Stained Glass Windows, Lighting Fixtures, Tabernacle Crucifixes and Candlesticks are the work of the Rambusch Organization.

2 West 45th St. ~ New York City

The rapid trend toward better illumination encouraged the relighting of Our Lady of Angels Church, Brooklyn, coincident with its recent redecoration. The rich ceiling decoration made some general lighting desirable. A lighting plan was devised in which the two large lantern chandeliers were retained, supplemented by a number of totally concealed Downlites. Approximately 80 per cent. of the new illumination is downlighting and 20 per cent. semi-direct lighting, totalling 4.5 footcandles on the average at pew height. (The accompanying before-and-after photographs clearly indicate this point.) The architectural details of the interior have been greatly enhanced by careful study of highlights and shadows thru proper application of the Downlites. Gold-plated reflectors in the Downlites add warmth and tone to the atmosphere. The decoration and lighting were executed by the Rambusch organization.

HINTS AND HELPS

For those who use the Catholic Directory

The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vii.

A Public Service

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be absolutely perfect in this respect, it is a goal toward which we are constantly aiming. For after all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and changes constantly being made in the Directory we believe it wise this year to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book after which we explain how they may be used.

1. **List of the Governing Bodies in Vatican City.**

What the Directory Contains

This is a list of all of the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome together with a chronological table of the Popes, complete the Section.

2. **List of the Provinces of the United States.**

This is a list of all the Archioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. **Detailed Reports from Archdioceses and Dioceses of the United States.**

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. **Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.**

This section contains substantially the same information on foreign territories as the preceding one.

5. **Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.**

6. **General Statistics on Religious Orders of Men and Women.**

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

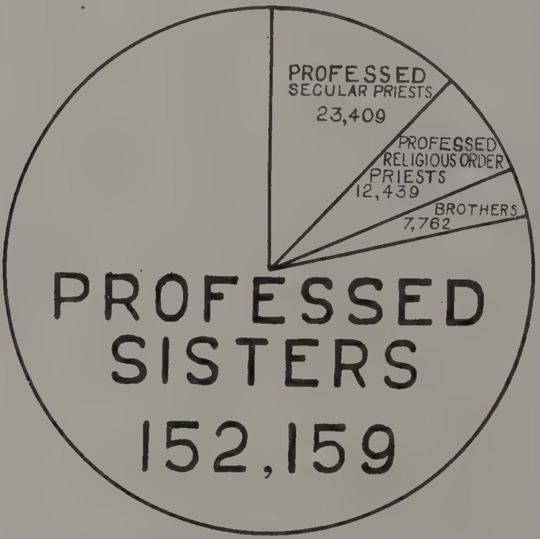
7. **A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.**

. . . About Brothers . . .

In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools for example have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

. . . About Nuns . . .

There are 210 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Order Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand if you wanted to know whether a certain Order is represented at a certain school, the Religious Order section will tell you whether they are represented in the Diocese in which that school is located. An analysis of this section reveals that there are 152,159 Professed Sisters in the United States. These, in relation to the Priests and Brothers, might be shown graphically as follows:



. . . About Places . . .

The place list of cities and towns in the United States tells you at a glance to just what diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Diocese where located. When a town has no post office the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P. O.* DM. The Post Office address will also be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed between the alphabetical list of places and the alphabetical list of Bishops.

. . . About Statistics. . . If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations, those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

The Complete Edition As you probably know the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which is added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Cuba and Mexico. These reports, except for Cuba and Mexico, are similar to those for the United States. There is also a list of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in stiff cover with heavy imitation leather.

In this attempt to facilitate your use of the Directory we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and will, ultimately, take whatever form serves you best. Accordingly your corrections and suggestions are warmly welcomed.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

Bishop of Rome and Vicar of Jesus Christ,
Successor of St. Peter, Prince of the Apostles,
Supreme Pontiff of the Universal Church.
Patriarch of the West, Primate of Italy.
Archbishop and Metropolitan of the Roman Province,
Sovereign of Vatican City.

PIUS XII

EUGENIO PACELLI
Now Gloriously Reigning

The two hundred and sixty-first successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

VATICAN CITY

By virtue of the concordat signed by His Eminence, Peter Cardinal Gasparri, acting for the Pope, and Benito Mussolini, Premier of Italy, for the King, on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which by the Pope and the King of Italy were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the State. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The Governor is Marquis Commendatore Camillo Serafini, born in Rome in 1864.

The Apostolic Nuncio to the King of Italy is Monsignor Borgongini Duca, Titular Archbishop of Heraclea.

The Ambassador of Italy to the Vatican City is His Excellency—

THE SACRED COLLEGE OF CARDINALS.

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

ARCHDIOCESES OF BALTIMORE AND WASHINGTON

(*Archidioecesis Baltimorensis-Washingtonensis*)

Baltimore Established a Diocese Nov. 6, 1789; Archdiocese April 8, 1808. Square Miles = 6399.

Comprises the City of Baltimore and all the Counties of Maryland lying west of the Chesapeake Bay.

By a Decree of the Sacred Congregation of the Propaganda, July 19, 1858, approved by His Holiness, Pius IX, July 25, 1858, "Prerogative of Place" was conferred on the Archdiocese of Baltimore. By the explicit words of said decree of the Holy See the Archbishop of Baltimore takes precedence over all Archbishops of the United States (not Cardinals) in Councils, gatherings and meetings of whatever kind of the Hierarchy (in concillis, coetibus et comitiis quibuscumque) regardless of the seniority of other Archbishops in promotion or ordination. Decree signed by Cardinal Barnabo, August 15, 1858.

Washington Established Archdiocese July 22, 1939. Square Miles = 64.

Comprises the District of Columbia.

In virtue of an Apostolic Letter of His Holiness, Pope Pius XII, dated July 22, 1939, the territory of the District of Columbia was separated from the Archdiocese of Baltimore and raised to the dignity of an Archdiocese in its own right to be known as the Archdiocese of Washington. Without prejudice to the prerogative of place enjoyed by the Archdiocese of Baltimore, the Archdiocese of Washington is united with it *aeque principaliter*. Both Archdioceses are under the jurisdiction of one Ordinary and there is but one Archiepiscopal Curia.

THE CATHOLIC UNIVERSITY OF AMERICA

WASHINGTON, D. C.
Founded April 10, 1887.

Government of the University.—The Catholic University of America is an approved Pontifical university and is therefore subject to the Apostolic Constitution, *Deus Scientiarum Dominus,* and to the rules and regulations of the Sacred Congregation of Seminaries and Universities. The Statutes provide that the University shall remain under the direction of the Bishops of the United States, who have plenary authority in all that pertains to discipline, courses of study, and instruction. This authority is delegated to a Board of Trustees. The Board of Trustees consists *de iure* of the Cardinals of the Holy Roman Church and of the other Archbishops who rule over Dioceses in the United States with Metropolitan right, of the Chancellor (*Magnus Cancellarius*) and of the Rector (*Rector Magnificus*); in addition, of not more than thirty other members elected by ballot from among Bishops, Priests, and Laymen. The Bishops are to be elected either in Plenary Council or at a general meeting of the Bishops; the other members are to be elected by the Board of Trustees. The regular meetings of the Board are held in April and November.

University Church.—National Shrine of the Immaculate Conception; cornerstone laid September 23, 1920; Crypt only completed; Director: Rev. John J. Reilly.
